NEW KNIGHTS OF COLUMBUS

Council With Seventy-Five Charter Members is Instituted.

MANY VISITORS FROM OTHER CITIES

Nebraska and Iowa Largely Represented Among Those Who Come to Assist in Organizing the New Council.

With an attendance of over two hundred visiting members from Nebraska and Iowa, Council Bluffs council No. 106, Knights of Columbus, was instituted yesterday with fitting ceremonies.

The council starts out with a charter membership of seventy-five and the following officers: Grand knight, John P. Organ; deputy grand knight, P. J. Egan; chancellor, G. H. Hughes; warden, John T. Mulqueen; lecturer, Ed F. Cogley; treasurer, Robert J. Gillet; chaplain, Henry F. Rohling; secretary, Charles W. Gould; advocate, Emmet Tinsley; inside guard, Lucien J. Gillet; outside guard, John McCarthy; chaplain, Rev. Patrick Smyth; board of trustees, T. Seybert, Walter Clouston, John B. Teller.

The council was instituted by William J. McCullough, state deputy of Iowa, the first degree work being under the direction of Omaha council No. 822. The second degree work was under the direction of T. J. Mahoney, state deputy of Nebraska, assisted by Omaha council, while the third degree work was in charge of Thomas F. Griffin of Sioux City, district deputy.

Attend Mass in Morning.

The exercises of the day began at 10 o'clock in the morning when the visiting members and the candidates for initiation into the new council assembled at the Grand Hotel, and from there marched in a body to St. Francis Xavier's church, where high mass was said by Rev. Father Patrick Smyth.

At 11:30 a. m. luncheon was served in the Grand Hotel and at 1 o'clock the installation of the new council and the initiation of the candidates was commenced at Macabee hall in the Brown block. These ceremonies lasted until 5 o'clock.

Hon. J. Wade of Iowa City was unable to be present and his place on the program at the banquet was taken by Hon. C. J. Smythe of Omaha. The banquet was served at 9 o'clock in the big ballroom of the Grand hotel, covers being laid for 80. John M. Cahill of this city presided and acted as toastmaster, this being the program:

MORE CASH FOR NORMAL

Six New Buildings Asked for by the Cedar Falls Schools.

INCREASE FOR RUNNING EXPENSES

Prominent Educators Predict Defeat of Board of Control Bill Which is to Come Before Next Session of Legislature.

(From a Staff Correspondent.) DEN MOINER, Ia., Nov. 5.—(Special.)—The annual report of the state Normal at Cedar Falls, issued today, gives plans for six additional new buildings and asks for an increase of \$17,000 annually for the expenses of the school and for \$3,000 for the next two years for improvements in the grounds. Incidentally the report of President H. L. Seerley takes a shot at some of his critics, says the course of study for public schools should be revised, cites the results of the investigations of the state Normal as proof that the work of the children can be shortened by two years, and says the public has too long accepted the statutes fixing the qualifications of teachers as more or less divine.

The report, which is to the legislature, gives the plans for six new buildings, showing the plans of the grounds with the additional new buildings. These new buildings are a science building, greenhouse, and manual training building to the south of the present buildings; a physics and science building in the north part of the grounds; a library building directly east of the present buildings, and a cottage for the superintendent of grounds and buildings in the northeast corner of the grounds. No estimate is placed on the cost of these buildings, but it is presumed that the trustees will ask for appropriations for the erection of all of them from the coming legislature. The additions wanted to the annual appropriation are \$10,000 additional annually for the teachers' fund, \$2,000 annually for the summer school, \$2,500 additional annually for the library fund, and \$3,000 for the next two years for improvements in the grounds and for paying streets.

CONTRACT FOR A NEW ELEVATOR

Rock Island to Erect One With Two Hopper Scales.

The Rock Island Railroad has let the contract for the erection of an elevator on its tracks near Indian creek to cost \$100,000. The elevator is to be used for the transfer of grain. The hopper scales will be installed, each capable of weighing a carload of grain. Covered sheds with adequate trackage to sidetrack four cars will be built. Jensen and Sons of this city have been awarded the contract.

The elevator will be erected on the site which was selected by Cooper & Van Dorn of Malvern for their elevator, who failed to make a satisfactory arrangement with the railroad and are now looking for a location in another part of the city. Cooper & Van Dorn, it is stated, are now negotiating with the Illinois Central for a site.

The cribbing of the Shugart & Ouren seed company's elevator on Epeventh avenue, which is in process of completion, will be begun today on the tower. The structure, it is expected, will be completed in three or four weeks.

Crossings Must be Protected.

The city council at its regular monthly meeting this evening is expected to take further action in the matter of compelling the Burlington and Great Western railroads to install gates at the Main street crossing and watchmen at the Sixth and Seventh street crossings. The railroads were instructed a month ago to install the gates on Main street but up to date they have paid no attention to the order. City Solicitor Snyder, to whom the matter was referred, has been engaged in court and has not had time to give it the proper attention. He is of the opinion that if the railroads refuse to voluntarily comply with the order of the city council they can be forced to, but what action would be necessary on the part of the city Mr. Snyder said he was not prepared to state at present.

Owing to the absence of C. M. Harl, special counsel of the city council in the matter, the waterworks question, it is understood, will not be brought up tonight. It is likely, however, that the Broadway paving question will come up in some form or another, as several of the aldermen are in favor of compelling Contractor Wickham, if possible, to begin the work of improving this thoroughfare without further delay.

Tabor Bank Protected.

Attorney Emmet Tinsley, counsel for the State Bank of Tabor, Ia., which is in the hands of the state bank examiner owing to the defalcations of Clyde Dye, vice president of the institution, stated last evening that there were no new developments in the matter. A report from the bank examiner was looked for, he said, in a few days, when the exact defalcations would be ascertained. Mr. Tinsley stated, however, that indications were that Dye's indebtedness to the bank did not exceed \$10,000. The amount first stated, and he doubted if the bank would lose anything, as it seemed to be amply protected.

Dye is still at the home of his father.

Sylvester Dye, in this city, and was stated yesterday to be on the verge of nervous collapse. He is said to have made a clean breast of all his irregularities. Sylvester Dye will be a heavy loser by his son's defalcations.

Special Sunday Services.

Rev. Otterbein O. Smith, pastor of the First Congregational church, announces special services for each Sunday night during this month and December. The opening special service was held last night and was designated by Rev. Smith as a "Musical Service," he taking for the subject of his address "Diatonic and Chromatic Scales."

The subjects announced for the remaining services are as follows: November 12, "Youth in Its Beauty"; November 19, "The Young Woman"; November 26, "The Young Man"; December 3, "Courtship and Marriage"; December 10, "The Strength of the Hill People"; December 17, "Forefathers' Day"; December 24, "Christmas Tide"; December 31, "The Opening Year."

ENTERTAINING THE PRINCE

Assistant Secretary Oliver Gives a Luncheon in His Honor.

DINES WITH THE BRITISH COUNSELOR

Monday to be Occupied With a Trip to Mount Vernon, After Which He Will Return to His Squadron.

WASHINGTON, Nov. 5.—Rear Admiral Louis of Battenberg today was the guest of honor at the luncheon given by Assistant Secretary Oliver of the War department and Mrs. Oliver, and tonight was entertained at a dinner given by Walter Beaupre Townley, the counselor of the British embassy, and Lady Townley. Both these functions were informal and they were the only social features of consequence during the day's program. The remainder of the time was spent mostly at the embassy, where the prince is the guest of Ambassador and Lady Durand. During the afternoon Prince Louis made several calls, among others at the home of Mrs. John P. Jackson, the relative of an officer of the American navy. The prince received a number of callers who desired to pay their respects, in the course of the day.

At the luncheon given by the Olivers, at which Joseph H. Choate, former ambassador to Great Britain, was also a guest of honor, the guests included the British ambassador and Lady Durand, the French ambassador and Mme. Jusserand, Associate Justice Holmes of the supreme court of the United States and Mrs. Holmes, Mrs. Attorney General Moody, Mrs. Taft, Mrs. John Davis and Miss Boardman of this city.

At the dinner the guests were Prince Louis of Battenberg, Mr. and Mrs. Elliott, Mrs. Roosevelt, Captain Ryan, the naval attaché of the British embassy, and Mrs. Ryan; Captain Kerr, the commander of the ships of Prince Louis' squadron, and Mrs. and Miss Townsend of Philadelphia.

Following the dinner there was an at home to the officers of the rear admiral's squadron now in Washington.

Tomorrow is the last day on which Prince Louis will be in Washington. A trip to Mount Vernon will be the feature. It will be made on the Dolphin, and the prince will be accompanied, it is expected, by Secretary Root, Assistant Secretary of State Bacon, Ambassador Durand and Captain Ryan.

During the afternoon the prince will return to Annapolis to join his squadron.

PROTECTING CANAL ENTRANCE

Secretary Taft Looks Over Locations for Fortifications at Both Ends.

PANAMA, Nov. 5.—The United States secretary of war, accompanied by Colonel Edwards, chief of the Bureau of Insular Affairs, Lieutenant Colonel William M. Black and Lieutenant Mark Brooke, last Friday examined the location for fortifications at the Pacific terminal of the canal.

The Associated Press is informed that the small foothill at Ancon is the point selected. Regarding the fortification of an island in Panama bay to protect the canal entrance, it was decided to do nothing until the canal is finished.

The engineers left here Saturday afternoon for Colon, where the location of the forts presents more difficulties than those at Panama. They will probably be on Toro Point, where some Americans own a coconut plantation.

DEMONSTRATION BY SOCIALISTS

Fifty Thousand People Attend a Public Meeting in Vienna.

VIENNA, Nov. 5.—The socialist suffrage demonstration on the Ringstrasse today was attended by 20,000 persons. A strong force of gendarmes was stationed along the streets, but did not interfere with the demonstration, and the socialists were even permitted to hoist red flags over the Reichsrath building. There were no disorders whatever, and small demonstrations are reported from Lemberg, Gratz, Kiegnfurdt, Bruenn and elsewhere.

The Nue Frie Presse states that premier Gauth von Frankenthur will introduce a referendum suffrage bill at the reopening of the Reichsrath.

As a result of the demonstrations today the university has been closed until further notice.

PRAGUE, Nov. 5.—Thousands of socialists held suffrage demonstrations this morning, leading to serious disorders, which continued all day long. The morning gathering was at the Wenzelsplatz and the crowds looted and eventually fired on the police. After ineffectual attempts to clear the streets, it was found necessary to summon troops to disperse the mob.

Rioting was continued in the afternoon. A barricade was erected by the demonstrators, which the troops stormed and destroyed. Mobs driven from one point constantly assembled at another. Rioting continued in the suburbs until late in the evening. The day's casualties were one killed, forty-seven severely and eighteen slightly injured and 120 persons arrested. Fully 50,000 demonstrators took part in the disorders. Quiet has now been restored and the authorities have resolved to resort to martial law if the disorders are repeated.
